PRELIMINARY AMENDMENT

Sir:

Before examination of the above-identified application on the merits, kindly amend the application as follows:

IN THE CLAIMS

Please cancel claims 6, 9 and 11 without prejudice and amend the claims as follows:

1. (Twice Amended) A shallow trench isolation in a substrate, said shallow trench isolation structure comprising:

a trench in said substrate; [and]

a nitride liner recessed within said trench and the nitride liner forming a partially enclosed volume, said partially enclosed volume being completely filled with a dielectric material which also completely fills the trench, such that an uppermost surface of said nitride liner is disposed below a transistor channel depth of a transistor disposed in a well beside said shallow trench isolation structure[.]; and
